

Nansen Ski Club Warming Hut Project

After careful research the Nansen Ski Club Board of Directors is pursuing the construction of a trailhead warming hut. The building will offer a warm space for trail users to gear up for an outing or unwind afterwards. It will be an ideal space for our many events and, over time, help us continue to draw new members to the Club. Most importantly it will provide a real home for the oldest ski club in the US! We are very excited to be embarking on this project and believe it will be an important step towards ensuring the Club's vitality and viability for many years to come.

Please consider making a donation to help us successfully complete the Warming Hut by December, 2016. You may also give online at skinansen.com. Thank you for your support!

Nansen Ski Club Warming Hut Donor Levels

Donation Amount	Invited to ribbon cutting ceremony and party at the Warming Hut upon project completion!	Your name will be listed as a project supporter on SkiNansen.com	Your name will be inscribed on a plaque of project supporters to be hung in the Warming Hut	You will receive a Nansen Ski Club Shirt and hat	Your name will be inscribed on one of the timbers of the Nansen Ski Club Warming Hut
