

Nansen Ski Club

The Oldest Ski Club in America ~ Since 1872

Nansen Ski Club is preparing for an awesome season of skiing and snowshoeing activities at our community XC Ski Trails. In doing so, we're seeking your support to help us achieve our mission of providing affordable non-motorized winter recreation through maintaining groomed Nordic trails and implementing winter programs and races that benefit the local communities.

Over the summer with dozens of volunteers, we constructed a new timber-framed warming hut and are nearing completion with anticipation to open it for this season. We'll continue the annual winter Nordic ski races, night ski socials and more. We plan to build on this momentum and value your tax-deductible contribution.

In addition to the distinction of continuing the oldest Ski Club in America, your business level sponsorship will provide you:

- A mention on our website, with a link to your business
- A listing on our map and brochure (see enclosed example)
- A listing on our kiosk at the ski area

Sponsor Levels:

Friend \$40-74	(map listing Business Name and phone #)
Green Circle \$75-149	(Business Logo and Name on map)
Blue Square \$150-299	(Larger space on back of Map)
Black Diamond \$300+	(Ad spot on inside flap next to Trail Map)

Please respond by **December 1st** to ensure listing on all printed material. You may also donate online at www.skinansen.com if more convenient and e-mail material for your map listing/ad to: info@skinansen.com.

Thank you for your support,

Tracy Rexford, President
752-4916

-----Please return this slip with your check. Thank you ☺-----

I'd like to support Nansen Ski Trails 2016-17!
