Nansen Ski club, founded in 1872, is a 501 (c)3 non-profit organization supported almost entirely by member fees, business sponsors, and individual contributions that defray the cost of purchasing and maintaining equipment, holding events, and clearing/grooming trails. All is accomplished with volunteer efforts.

Thank you to this year's sponsors, volunteers, and members for helping sustain the high quality trail system. We also thank NH State Parks & abutting land owners for the use of the land on which the trails are situated.

**Become a Member Today!**  
\$40 Individual or \$70 Family Pass

**Welcome to the Nansen Nordic Ski Trails at Milan Hill State Park**

**TRAIL ACCESS**

The Park is open to public for all allowable uses. People skiing or snowshoeing on the network of trails maintained and groomed by Nansen Ski Club volunteers are encouraged to purchase a Season Membership Pass or leave a day use donation at parking area kiosk. Please sign trail register. Membership passes are available online and at local businesses.

**TRAIL COURTESY**

Animals must be leashed & controlled. Clean all waste from trails and carry out what you carry in. Do not walk or snowshoe in the ski tracks & if you fall, fill in the hole so not a hazard to others. Respect shelter, tower, signs, maps and the work that went into these trails.

**SAFETY**

Ski under control and with caution. You are skiing at your own risk. Know your limits and select trails matching your ability. Do not ski alone and dress appropriately, there is no end of day trail sweep. Skiers coming down have the right of way.

**GROOMING**

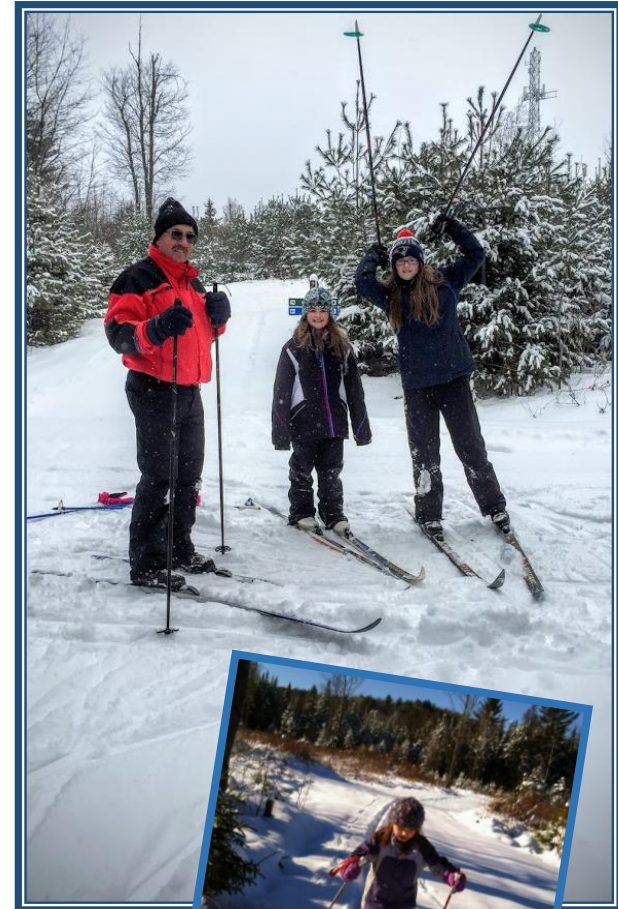

Most trails are groomed and tracked for classic and skate skiing wherever wide enough. There is no set schedule for grooming as it is performed by volunteer operators and when conditions allow. Members since 1872 have maintained a trail network, facilities, and club events to enjoy Nordic skiing activities, hopefully just as much as you do.

**Thank You & Enjoy the Trails!**

Visit our website for shirts, passes, and events.
